

**You have to produce.**

**You want to conserve.**

## **Announcing a Conservation Event for the both of you.**

**Event Name Here**

*In Partnership with Virginia Co-sponsor's Name Here*

You'll learn how some conservation practices improve production and, with federal and state cost-sharing, can be affordable, too. There's no charge to participate. A light breakfast and lunch will be provided. To register, call (000) 000-0000, ext. 0 by 0/00/00. Plan to attend. Because successful farmers know conservation makes good business sense.

**We work with the people  
who work the land.**

*Sponsored by the Virginia Department of Conservation and Recreation.*
